

Help shape the future of cancer services in north east London

Do you have personal experience of cancer as a patient or carer? We have some great opportunities for you to get involved in improving NHS cancer services for local people.

To apply for a voluntary patient or carer role, contact us today.

To qualify, you should have received cancer treatment, or cared for someone with cancer, in any of the following areas within the last five years:

- Barking and Dagenham
- City and Hackney
- Havering
- Newham
- Redbridge
- Tower Hamlets
- Waltham Forest

To apply, or if you have any questions, please email nelondon.pvcv@nhs.net or phone **07503 373533**

What do the roles involve?

As a patient or carer representative, you will:

- be a strong voice for local people across the boroughs of north east London
- influence decision-making
- tell us what works well and what needs improving
- co-design future services
- join a range of cancer programmes designed to improve services such as endoscopy, screening, and personalised care

Your commitment is flexible and you can choose to volunteer in a way which works for you - from taking part in email surveys to attending meetings and public events.

We can give you technical support for accessing online meetings and emails, and can reimburse reasonable travel expenses for any meetings or events attended in person.

By joining us today, you'll play an essential role in making sure that everyone can experience high-quality NHS cancer services across North East London.

We value diversity and are committed to creating an inclusive environment for people from all sections of our diverse community. We welcome all applicants regardless of age, disability, ethnicity, gender, LGBTQ+ identity, race or religion. Please let us know if you would like to discuss any reasonable adjustments to any part of the process.

To apply, or if you have any questions, please email nelondon.pcv@nhs.net or phone **07503 373533**
